2018 - 2019 School Year

The Adolfo Camarillo High School Music Program needs your help!

An acclaimed program in Ventura County, Camarillo High School Music involves over 200 students in marching band, color guard, concert bands, jazz bands, orchestra, choir, mariachi, and percussion groups. The program, which performs in more than 30 different events every year at events all over the county and state, is growing significantly.

This growth is especially exciting because music education has far reaching benefits for both students and communities. Music education:

- Develops critical thinking and creative problem solving
- Fosters effective communication and teamwork
- Keeps students engaged in school and less likely to drop out
- Leads to higher standardized test scores, higher grades, and higher graduation rates
- Leads to these positive results across socioeconomic groups

(National Association for Music Education)

Music—like many extra curricular activities in our public schools—faces challenging budget constraints. For this school year, the ACHS Music Boosters project an **overall need of \$140,000**. It is only through generous donations and extensive fundraising that Camarillo High School Music can continue to provide its excellent music program. Your **fully tax-deductible** donations help subsidize the cost of instruments, sheet music, uniforms, world class instruction, competition and festival fees, and equipment for our growing program. As a donor, your (or your business') name will appear on the ACHSMusic.com website as well as in all printed programs.

The enclosed sheet explains the sponsorship levels and advertising opportunities for the 2018-2019 school year. **Please consider becoming a sponsor of this amazing program.** Your donation will touch the lives of many students who in turn will become successful, contributing members of our community. Please consider either a company sponsorship or a personal donation. Ad spaces in our concert programs may be used for your company or for a personal message to a music program member.

The ACHS Music Boosters are a 501(c)(3) tax-exempt organization and all contributions are fully deductible. Our Tax ID is available upon request.

Thank you for your investment in our future. If you have questions about the program and its specific needs, please do not hesitate to contact us at: **info@achsmusic.com**.

Sincerely,
Daniel Cook and Cameron Guerrero
